For more than 15 years, we've resolved to be a great solutions-provider partner by providing innovations and expertise. As a result, our client can concentrate on what they do best.

**OUR VISION**

To uplift hospitality industry in ASEAN

**OUR MISSION**

To provide cleaning solutions that are of outstanding quality, value for money and pride of being part of it

**OUR VALUE**

Responsible  
Fair  
KAIZEN

Since the company was established in 2003, PASPAND has cultivated its status as a leading chemical suppliers. Guided by our corporate philosophy of “Together we can do more”. We have continued to challenge ourselves to provide a wide range of products and services.

---

## Why Us?

Our clients choose us because we deliver unmatched services and training, and offer some of the best value in the industry. Over the last decade, our approach to business has helped transform us from a small upstart to a leading provider of cleaning solution firm. This didn't happen overnight, and it didn't happen without total commitment to our motto—quality for your solution.

Regardless of the project size and complexity, we strive to provide our customers with great products and unmatched services delivered within a flexible and cost-effective business model that meets our customer's needs.

### Experience & Expertise

Our team has been in the business for over 20 years. Some of them also have been with multinational enterprises. Thus, our teams have the most experience helping clients achieve their goals.

### Value

You simply won't find another vendor that can match our value proposition. Our clients often tell us the same thing. We make every effort to provide our customers with great products and services, and we work just as hard to make sure they are getting the right products that fits their needs. We promise the same to you.

**>500**

More than 500 customers are recognized and trusted in our products and reliable services.

---
